

# November 19-21, Hong Kong

## About CSCI

---

2022 2nd International Conference on Computer Science and Computational Intelligence will be held in **Hong Kong during November 19-21, 2022**. The conference is **co-sponsored by University of Hong Kong**, which aims to promote an exchange of recent and advanced information among scientists and engineers in the wide field of **computer science and computational intelligence**.

## Important Dates

---

- Submission Deadline: **June 25, 2022**
- Acceptance Notification: **July 20, 2022**
- Registration Deadline: **August 10, 2022**
- Conference Date: **November 19-21, 2022**

## Co-Sponsored By

---

The University of Hong Kong

## Technical Support

---

UNIVERSITI  
TENAGA  
NASIONAL

UNIVERSITAI  
SALAMANC

Media Partner

## Call for Papers

---

Visualisation of big data and visual data analytics

Human-computer interaction and collaboration in big data

Classification, Clustering, Regression

Feature learning and feature engineering

Ethical Computational Intelligence on Big Data, Internet of Things, and Smart Cities

Evolutionary computation for feature analysis

Fuzzy logic for feature analysis

Hybrid evolutionary computation and machine learning

## Publication

---

Submissions will be reviewed by the conference technical committees and **IJMLC** Editorial board, and accepted papers will be published in the **International Journal of Machine Learning and Computing**, which will be **indexed by Inspec (IET), Google Scholar, Crossref, ProQuest, Electronic Journals Library, CNKI**.

## Submission Method

---

Please submit your full paper/abstract via Microsoft Submission System using the link.

(Only .pdf files are applicable) :
